

The Warrior's Creed

By Simon Treselyan

*I Am the Warrior and as such I create my own Destiny and relentlessly pursue my Purpose in Life.
I demand of Myself clear Effective Action, doing nothing that is useless.
I Here and Now promise and affirm that I shall apply such determined Action
as necessary and most appropriate to achieve my Mission.*

*My Character is built upon the foundations of Truth and Integrity and forged in the
fires of Courage and Compassion;
therefore I engage only in transactions that bring value to all they affect.
My Word is my Bond and a currency of great worth.*

*I succeed in my Mission by attracting to me the forces I require and the
willing co-operation of others.
As I serve so shall I be served in turn.
I recognise the fact that a group of committed and inspirational individuals can bring lasting
positive change to the World.*

*I Am Steadfast as a Warrior and deploy my Courage and Strength wisely.
I Am a champion of Justice and Righteousness.
I strive to Protect and Serve those who cannot do so themselves.
I always bring Vision and Victory to worthy causes.*

*I Am Resolute and immovable in Defence and Fearless and unstoppable in Attack.
I Am experienced by others as a Beacon of Light, shining as an example of all that is
great and inspirational within Mankind.*

*I pray that as a Pilgrim, to always go a little further, to keep moving forward, to a land
that may be beyond the farthest mountains and across the endless sea.
There I will always be the best that I can be.*

This is My Creed; this is My Quest

*I Am the Magic, the Power and the Glory.
I Am Bold and Glorious in my actions.
I Am a Warrior sired of Warriors and demand my birthright.
I Am a Champion.*

*I Am Authentic and True to Myself as I am the Creator and Master of my Worldly experience.
The purity of my Cause determines the Purity of its Effect and ensures the quality of Life of
those that share my journey.*

Amen
